

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: Wolfgang Clemens et al.

Serial No.: 10/517,750

Filed: 6/10/2005

Title: Substrate for an Organic Field Effect Transistor, use of said Substrate,
Method of Increasing the Charge Carrier Mobility and Organic Field Effect
Transistor (OFET)

Examiner: Hoang Quan Tran HO

Art Unit: 2818

Attorney Docket: 411000-122

Customer No. 27162

MS Amendment
Commissioner for Patents
Box 1450
Alexandria, VA 22313-1450

COMMENTS ON EXAMINER'S AMENDMENT
NOTICE OF ALLOWANCE DATED 11/30/09

Sir:

Applicants are in receipt of a Notice of Allowance dated 11/30/2009 wherein the Examiner's amendment to the claims confirms the telephone interview with the undersigned on Nov. 16, 2009. Review of the Examiner's amendment shows that one proposed amendment agreed to by the undersigned as proposed by the Examiner is missing in the Examiner's amendment. That proposed amendment as agreed to by applicants and the Examiner is to claim 10 as follows:

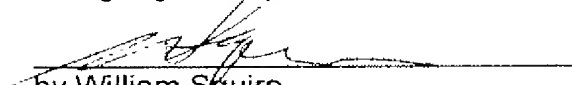

Line 3, change "(well-ordered plastic film)" to read - -(well-ordered) plastic film- -.

This amendment to claim 10 is the same as made in claim 7 by Examiner's amendment and apparently was overlooked by the Examiner in his amendment.

While no fee is believed due for this paper, the Commissioner is authorized to charge any fee that may be due to deposit account 03 0678 or credit the deposit account for any overpayments in connection with this paper.

December 4, 2009

Respectfully submitted,
Wolfgang Clemens et al.
